

Widney Certification Audit Announcement

Widney is pleased to announce that the organization will undergo its scheduled certification audits for **IATF 16949** and **ISO 9001** in **April 2025**.

These audits represent an important milestone in reaffirming Widney's commitment to maintaining the highest standards of quality management and automotive industry requirements. The certifications are globally recognized benchmarks that demonstrate our dedication to:

- **Quality Assurance:** Ensuring consistent delivery of products and services that meet customer and regulatory requirements.
- **Continuous Improvement:** Driving efficiency, innovation, and excellence across all operational processes.
- **Customer Satisfaction:** Strengthening trust and confidence through adherence to internationally recognized standards.
-

The upcoming audits will be conducted by accredited certification bodies, and Widney is fully prepared to demonstrate compliance with the rigorous requirements of both standards.

This initiative underscores our ongoing commitment to excellence and positions Widney as a trusted partner in delivering quality solutions to our customers worldwide.

Note that once the audits have been completed the updated certificates will be uploaded.

Kind regards

Widney Management
